

I am requesting that you do all that you can to keep the K-Love signal the same. K-Love has greatly served Huntley, IL and my household by providing descent, christian music and informing us of local events in our community. Without K-love on the air sounding out God's message you would be doing a great disservice to Huntly, IL and all the many listeners around the U.S. that are so greatly blessed by this ministry. Everyday I listen to K-love and everyday I am thrilled to support K-love. There are enough staions that provide junk keep K-love on and provide me and my community with the option to listen to a great christian station. K-love reaches everyone, young and old, it's in the public best interests that we are provided with the best station out there. I am a listener supporter of K-love and want you to do all you can to keep it the same.
